About Good Shepherd Alliance

GSA assists the home needy in Loudoun County at times of crisis, providing shelter and transitional housing that guides residents to self-sufficiency. We work with case managers, volunteers, and local businesses to address the issues that cause homelessness and improve the situation for our community.

GSA operates 8 emergency shelters, providing assistance to more than 2,000 people each year. Most of our clients are homeless or at risk of becoming homeless. This is our primary task at the heart of our Mission. We are also a 501(c)(3) nonprofit organization that receives donations, as well as grant funding from local, state, and federal agencies and thrift store sales. Over 91% of funds raised go directly to homeless assistance and homelessness prevention services.

Our Golf Tournament is an annual fundraiser that contributes directly to our operation. As a donor or player part of your contribution may be tax deductible (Tax ID – 54-1644294)

You would never think that Loudoun County has so many people in need, but we do.
